- 1 X Universal top Mounts
- 2 X J Bolts

### RECOMMENDED ISOLATOR

**DBE140SF**  
or  
**DBE180-SX**

## FITTING INSTRUCTIONS

The cradle fits passenger side rear.

The looms may have to be moved slightly to ensure that they are not squashed. The computer has to be removed and attached to the rear arm of the tray.

Bolt in top arms using M8 bolts. After securing arms, you may need to slightly push the tray forward to allow room for the computer and to located the lower mounting holes closer to wheel arch.

Drill the 3 x 6mm holes through the lower mounting holes and fasten with M6 bolts and nuts, using body washers under the guard.

**Ensure, before closing the bonnet that all items fitted have adequate clearance**
