2 X M6 Nuts
1 X Body Washers
2 X J Bolts
1 X Special Top Mount
RECOMMENDED ISOLATOR
DBE140S
or
DBE180-SX

FITTING INSTRUCTIONS

The cradle fits passenger side middle.

The original bolts for the washer bottle are removed, and the cradle picks up off these points. Replace the M6 bolts, with the cradle against the guard, and the washer bottle in front. Two of the counter sunk mountings will bolt straight in the guard, with M6 counter sunk bolts. The last hole will need to be drilled with a 6mm drill and fastened with a counter sunk bolt, with a nut and body washer under the guard.

This cradle will fit the TB42S Carby Patrol by moving the pre cleaner.

Ensure, before closing the bonnet that all items fitted have adequate clearance
