FITTING INSTRUCTIONS

The cradle fits passenger side rear.

The long arm fits on the fire wall lip with a 6mm nut and bolt. The small bracket on the outer side of the tray with two holes in it should fit flush against the guard. Drill two holes and fasten with 2 x 6mm nuts and bolts, using body washers under the guard. Mark and drill the arm going down to the guard and again use the bolts supplied. A heat shield may be required for the side of the battery.

Ensure, Before closing the bonnet that all items fitted have adequate clearance
