### FITTING INSTRUCTIONS

**The cradle fits on the passengers side rear.**

The arm going down sits on the inner skirt. There is normally nothing to relocate on this vehicle - Diesel Only. Five M6 nuts and bolts are supplied. Three panel washers are used. One for the lower support arm, and the other two are for the passenger side mount, used under the skirt. A hold down is also supplied.

**Ensure, before closing the bonnet that all items fitted have adequate clearance**
